

人工知能のポストグラデュエート・サーティフィケート (Advanced)

Advanced Machine Learning Algorithms

mindmap

```
root((Advanced Machine Learning Algorithms))
  Basic ML Algorithms
    Regression classificatio
    Clustering techniques
  Deep Learning Reinforce
    Neural network models
    Policy learning methods
  Application Areas
    Business analytics
    Healthcare imaging
  Model Development
    Data preprocessing steps
    Hyperparameter tuning
```
