
Environmental Law and Disaster Management

Why the Global Market is Paying a Premium for This Skill Set

Source: McKinsey Global Institute, World Economic Forum, OECD (2026)

Trend Driver | Why It Matters | Global Source

Surge in Climate-Related Litigation | Corporations face escalating legal exposure as climate lawsuits rise, driving demand for specialized counsel | World Economic Forum

Investment in Resilient Infrastructure | Governments and private firms allocate billions to climate-proof assets, requiring legal frameworks that balance risk and ROI | McKinsey Global Institute

Regulatory Harmonization Across Trade Blocs | Unified standards simplify cross-border compliance, creating premium opportunities for experts who can navigate multiple jurisdictions | OECD
